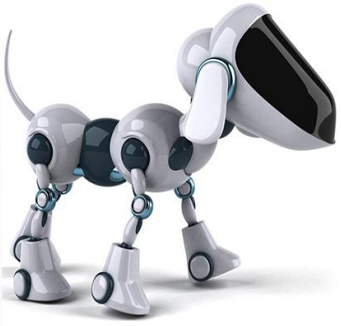
Our learning journey is...

Toys & Transport

Changes through time – How do we know?



🏠 **Homework**

This grid has activities linked to our topic for this half term.
Please complete one activity every fortnight and bring it into school to share with the class.
It is your choice which activities you would like to complete. Have fun! ⭐

Year 1 - Autumn Term 2

Science Can you research which animals hibernate, migrate and adapt in the Winter?	**English** Go outside or look out of a window and think carefully about **winter**. Complete the sentences below using your five senses: 👀 I can see 👂 I can hear 👃 I can smell 🤚 I can feel 👅 I can taste	**Art** Use recycled materials from home to create a sculpture. You could use: • Cardboard boxes • Tubes • Plastic pots • Bottle tops • Yogurt pots Create: • An animal • A person • A vehicle • An imaginary creature
History **Make an Old-Fashioned Toy** Create a simple toy such as: A cup-and-ball toy A paper spinner A sock puppet Bring it to school to share.	**Science** Can you learn the months of the year? Learn a song at home and sing it to the class. Which month is your birthday in?	**History** 🧸 **1. Interview a Family Member** Ask a parent, grandparent, or older relative: • What toys did you play with when you were a child? • What was your favourite toy? • Did your toys need batteries? Children could draw or write about what they found out.
Phonics Can you recap your Phase 3 sounds and key words? You will find these in your new Reading Diary!	**Maths** Can you write down your number bonds to 5 and 10?	**Maths** Can you practise your number formations and try to make them all the same size?
