Geography

We will be learning about our school through simple maps and aerial views and mapping a route to East Hill Park. Using stories like *Percy the Park Keeper*, children will explore different places, what they're used for, and how people look after them.

Science

- Seasonal changes
- Autumn walks
- What are the signs of Autumn?
- Why do animals hibernate?

Design Technology

We will be making structures using different materials. We will then use this knowledge to make design and make playground equipment.

English

We will be using Drawing Club for our writing by looking at a variety of fiction and non fiction stories , including seasonal texts. We will explore the following:

- **Character**
- **Setting**
- **I wonder questions**

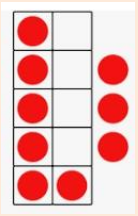
Me, My School, My Place

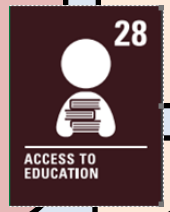
What makes a place feel like it belongs to us?

Year 1 Autumn 1 2026

Maths

- Numbers to 5
- Comparison of quantities and part whole relationships
- Counting within 100





RE

We will be talking about our special places. We will look at churches and synagogues being special places to the Christian and Jewish community.

PSHE

Class charters – creating a learning community

What makes us special and unique, our likes and dislikes and how to manage our feelings.

What makes our mind and body feel good?

Pupil Action Project/RRS/Global Goals

Computing

My Online Life – What do you do online? Balancing screen time.

Music

We will be learning a song called 'In The Groove'. We will practise singing it, putting musical instruments to the song and then composing.

PE

Attack, defend & shoot games

- Gymnastics
