

History

Women's roles in society
Key people and events leading to WW2
Key events during WW2
What was civilian life like during WW2?
Evacuation
VE Day
Countries involved in WW2
Local area (protection of coast, 'Bomb Alley')
United Nations/ UNCRC

Science

Evolution & Inheritance - recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago.

Living Things and Their Habitats - describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences.

Art

Researching the artist and using their work as stimuli.
Observational drawings of human form.
Picasso—Guernica - Painting, drawing, collage, sketching
