

Maths

Addition and Subtraction

We will be focusing on the following skills:

- Adding and subtracting two, 2-digit numbers
- Solving problems involving addition and subtraction
- Bridging across tens

Shape

- Recognising and naming 2D and 3D shapes
- Understanding lines of symmetry

English

Picture books: The Storm Whale & The Pirates Next Door

We will read, discuss and retell the story of The Storm Whale using adjectives, verbs and noun phrases.

We will be writing sentences, building on our previous ideas and using high level vocabulary to make our writing interesting for the reader.

Computing

We are learning about being safe online and using digital literacy to show we understand.

Year 2 Autumn 2

Ocean Adventures Curriculum map

Geography

We will be using maps & atlases to locate oceans and continents. We will be learning to name and locate the world's 7 continents and 5 oceans. We will be focusing on locating hot and cold areas in the world using atlases and globes.

PE

In PE we will be developing our skills in watching the ball and getting in line to receive it. We will also have basketball coaches coming in on Thursday afternoons to develop our understanding of the sport.

Science

Year 2 will explore and compare the differences between things that are living, dead, and things that have never been alive. We will be able to describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other. We will be identifying and naming a variety of plants and animals in their habitats, including microhabitats. We will also describe how animals obtain their food from plants and other animals.

DT

Pupils will create a diorama of an underwater scene. They will create a landscape that looks aesthetically appealing, with an underwater background and moving fish.

RE

We will be learning what Christians believe about God and Jesus. We will also learn about what Muslims believe about Allah and Muhammad.
