Geography

Name and recognise the key features of villages, towns and cities

Describe and explain some of the reasons why settlements are established and grow.

To identify settlement patterns.

Describe what is meant by migration and begin to explain why different people have settled in the UK.

Science

Classifying Organisms—Children will learn about some of the broad groups used to classify animals, then identify, sort or describe organisms within those groups according to some of their characteristics.

Healthy Bodies—Children will learn about the functions of the heart, lungs and circulatory system, then either draw and label diagrams, or perform a heart dissection to study its internal structure.

Art

Researching the artist and using their work as stimuli.

Producing a prototype and then a mixed media model in the style of Giacometti.

DT

Researching mechanisms to understand how carm work.

Designing a moving model to show travel.

Making the model using cams and rods to move vehicles.
