

Our learning journey is...

Once Upon a Tale

Year 1 Summer 2026

Home learning tasks:

You might like to join in with our learning at home by...

D.T

Can you design and prepare your own dish at home, e.g. a fruit salad

How can you safely chop the fruit? Take a picture and share at school.

Maths

Can you roll two dices and create your equations.

Can you practise your number formation and practise writing the number names to ten.

Geography

Create a model of the Earth  using art materials.

Where will your ideas lead you?

Outdoors

Visit the library and try to find a book on the body.

Can you look for Signs of Spring? What do you notice?

English

Can you write instructions on how to make a dish using First, then, next, and finally?

Science

Can you research why your heart and brain is so important?

D.T

Can you make a tower for Rapunzel to live in?
How will you join the materials together?

Science

Can you draw around your body and label all its parts?

Art

Can you paint your own blossom tree. What colours will you use?
