

Year 4 Homework Grid

Choose 6 activities to complete over the term. We will celebrate home learning in class - it's really lovely when we can share your hard work with the class!

	Knowing	Understanding	Applying	Analysing	Creating
<p><u>Verbal</u></p> <p>I enjoy reading, writing and speaking.</p>	Find a book about an aspect of saving the planet that you are interested in. Learn three facts to tell the class.	Explain the different types of Biomes and how climate change effects them	Write a a documentary script in the style of David Attenborough about an animal habitat.	Write and perform a poem about biomes.	Write a story set in a rainforest.
<p><u>Mathematical</u></p> <p>I enjoy working with numbers, science and engineering.</p>	Find out climate change.	Draw, label and annotate a diagram of the different layers of the rainforest.	Make up a multiple choice quiz for others to test their knowledge.	Research the natural resources and how they are used.	Design and build a model of a animal habitat.
<p><u>Visual</u></p> <p>I enjoy painting, drawing and visualising.</p>	Draw the an animal habitat of your choice.	Look at some paintings of different biomes. What does it convey? What is happening in the picture?	Make a diorama of a biome or an animal habitat.	Collect drawings/pictures of fashion different biomes across the world.	Design an outfit for a climate change enthusiast.
<p><u>Kinaesthetic</u></p> <p>I enjoy doing hands on activities.</p>	Look up the strategies for connect 4 and try them out on someone.	Visit a biome? What did you learn?	Make a game from that tells people about climate change and how to help it.	The climate in the Tundra biome is very different to ours. What environment do they need?	Use Scratch to make an interactive story set in a biome of your choice.
<p><u>Musical</u></p> <p>I enjoy making music and listening to music.</p>	Research and listen to some music from another country. Make an information poster about common instruments.	Research how an ancient instrument is made. What is it made from? How is it made?	Create your own chant to encourage the people look after the environment.	Talk about the use of musical instruments from another county.	Create a piece of music that represents how you are feeling in certain Biomes.
<p><u>Interpersonal</u></p> <p>I enjoy working with others.</p>	With someone in your family make a model of a habitat.	Create a group dance with an animal theme.	Follow a recipe from another country. It could be something simple. Share it with your family. Ask them the rate the food.	Question for debate: Should people be allowed to travel on areoplanes?	Create a play with different animal habitats. Perform your play to others.
<p><u>Intrapersonal</u></p> <p>I enjoy working by myself.</p>	Create a poster about climate change.	Watch a film set in a rainforest e.g. Ferngully. Design a Poster to advertise the film.	What questions would you ask Edward Tulane?	Imagine you are Edward Tulane. You have been lost, found, broken, and mended. After everything you've experienced, you finally understand what it means to love and to be loved. What would you say to the people who helped you on your journey?	Create your own set of "Edward-glyphics." Think about Edward's journey and the people he meets. What modern symbols could you design to represent the key moments, emotions, or characters in his story?
