

History

Make your own timeline of key World War II events, including the outbreak of war, rationing starting, the Blitz and D-Day.

Science

Make a leaflet explaining to a younger child how light travels and why shadows occur on sunny days.

Design Technology/Art

Design and make a model of a World War II vehicle, aircraft or ship. Use recycled materials and paint or decorate your model. Examples could include: spitfire aircraft, Lancaster bomber, tank or a battleship.

English

Read Goodnight Mister Tom by Michelle Magorian. Write a book review of the book, explaining the plot and recommending it to a friend, giving reasons why they should read it. How does this book compare to Letters from the Lighthouse. Which did you prefer? Why?

World War II We'll Meet Again

Year 6 Autumn 2026

Maths

- TT Rockstars
- Go on a Shape Hunt and find examples and take photographs of: parallel lines, acute angles, reflex angles and symmetrical shapes
- Would you rather...have £1000 now or £50 every week for a year? Why? Explain your answer using calculations.

RE/ PSHE

- Make your own version of a text which you think people should follow. Create your own rules and write it in your book.

Pupil Action Project/RRS/Global Goals

Write your own speech to the UK government to explain the importance of democracy.

French

- Create your own class timetable using what you've learnt in French.

Computing

- Keep a diary for one week and write in it every time you use something digitally. What do you notice? Does anything surprise you?

Music

- Compare another one of Pharrell Williams' songs with Happy. What is similar? How are they different? Which do you prefer? Why?

PE

Find someone to show off the skills you've developed in football or netball this term.
