

English

In English we will be retelling the story of Lost and Found; an exciting adventure about somewhere cold. We will be getting into character and writing letters from the South Pole.

Role Play

In year 1 we will be turning our role play corner into a Antarctic base camp.

Geography

We will be investigating hot and cold areas of the world using simple atlases.

We will be thinking what would somebody have to pack if going to a cold place or to a hot destination?

Music

In Music we will be learning a song called 'In the Groove'
We will practise singing it, putting musical instruments to the song and then composing it to the class.

Computing

We will be learning drawing skills, mastering an art app while exploring shapes, numbers and problem solving.

PE

We will be continuing with gymnastics in and with coach Ollie we will be learning to attack, defend and shoot.

Art

In art we will be creating a collage to represent the Antarctic using a range of materials. We will explore and discuss illustrations from an icy, snowy stimulus.

Science

We will be looking at different material names. Wood, plastic, metal, fabric, glass.
We will look at different objects and talk about what materials they are made from and talk about the properties of each material e.g. is it smooth or hard?

Pupil Action Project/RRS/Global Goals

To improve our natural environment.

Antarctic Explorers Year 1—Spring Term 1

Maths

In Maths we will be looking at part, part, whole followed by composition of numbers 0 to 10.

PSHCE

In PSHE we will be talking about what makes us special and unique. Likes and dislikes and how to manage our feelings when things go wrong.

DT

We will be working on our fire engines that we started last term.

RE

We will be talking about our special places. We will look at Churches and Synagogue being a special place to the Christians and Jewish community.
